

“Dope Like That”

Written by Gregoria D'Voldre pka AMITTAI BLAKK

Verse 1/ From the moment of my birth
Till the day that I die
Sometimes I bend and sometimes I broke down

I know, I know, I know
I wasn't perfect
But I'm standing strong until the end of time

Hook/ I be dope like that
I be dope like that
I be dope like that
My destiny is for real
Repeat 1X:
My destiny is for me (Repeat 3X)

Verse 2/ My mother tears bittersweet
Cause I've learned from them all
Win or lose or whatever
I paid the cost

The weight, the weight, the weight
On my shoulders
You could never tell
Because my swag is incredible

Hook/ ~~~~~

Breakdown/ Time for the truth, the real truth
Mama... I wish we could be better
Had me living with a cracked-out felon
My youth overshadowed by screaming misery
Wondered if I looked like dope would you notice me
Uh, would you notice me
Wondered if I looked like dope would you accept me... Mama
Would you notice me
Every man you dated that I met look like dope to me
Uh, how could you notice me
Wondered if I looked like dope would you notice me

Hook/
Vamp/ And all the ladies know by the way I talk
By the way I walk, by the way I groove
By the way I move

To the whips I drive, no it ain't no lie
Oh I'm so dope, Oh I'm so dope... and Mama...ooooooooohhhhhh
