

## “Only One”

*Written by Gregoria D'Voldre pka AMITTAI BLAKK*

Verse 1/ Life is so simple  
Yet man complicate it for his own greed

While the world is on fire  
Because of inequalities

Many names are called when we pray  
But I come to let you know

Hook/ There's one  
Only one

There's one  
Only one

Verse 2/ Man label messengers of truth  
So the majority of people stay fooled

If they can't convince you that they're God  
Corporations will discredit you too

When they come for me I'll be ready  
Cause I believe

Hook/~~~~~

Verse 3/ The fight to control all of our minds  
Will spark a world revolution

Whichever currency you have in your nation  
Could never take the place of the creator

When I needed shackles released off my spirit  
I found only one

Hook/~~~~~

Vamp/ Make no difference what you call him  
I believe there's only one  
You can call him Elohim  
You can call him Jehovah  
You can call him El Shaddai  
You can call him Allah  
You can call him Jah  
Oh I believe there's only one  
And I don't care who know it I believe in God
