

“Walk Away”

Written by Gregoria D'Voldre pka AMITTAI BLAKK

Hook/
Sometimes trouble is in the air
I don't look for it
I try to walk away

Verse 1/
The switch is off in every chamber
Silenced heartbeat
The truth is I can see it

Measured by how far I go
Caged life will hold my soul
I'm smarter but don't try me
I wanna be free

Hook/
~~~~~  
(Adlibs) All this hatred and jealousy  
I don't know why, I don't know why

Verse 2/  
When it's the closest ones I love  
Oh, the pain hurts so much more

Green light...  
What would I do?  
My life revealed

Hook/  
~~~~~  
(Adlibs) Too much lying and disloyalty
No, no, no, no

Bridge/
Enemies stare, don't cross
Haters gone hate, get lost
My money stack high, like a boss
Deception of a thief is the worse

Rap/
“Dat Boi Hicks” from Jimmy Wit An H

Hook/
~~~~~  
(Adlibs) Why must I hurt you or you hurt me  
Tell me, tell me, tell me why  
I try, I try  
Ooh...ooh, ooh...ooh, ooh, ooh, ooh  
Racism, bigotry  
I don't want no problems with nobody  
All I want to do is live in peace
