

“When I Touch”

Written by Gregoria D'Voldre pka AMITTAI BLAKK

Verse 1/
Got me hydroplaning in the rain
Blue lights behind me

Hoping I can keep the promise I made
To stop by and sex you, yeah...yeah

Got this drink and smoke all in my body
Baby let me punish you... ooh

Girl when I touch

Hook/
Girl I got you open
Stuck in your emotions

When we touch
Our bodies are grinding
You can not deny me

Repeat 1X

Verse 2/
Baby those pictures and videos in my phone...ohhhhh
Those pictures and videos in my phone

Play in my head every time you moan...sss...ooooh
While we're bumpin' those slow jams all night long

You already know what to expect from me
After the session, another session

All I know is I love it every time we meet
You always let me punish you...ooh
Girl when I touch

Hook/ ~~~~~

Breakdown ~~~~~

Hook/
Vamp/
Cause when I touch
Kiss you on your lips
Baby pull your hair...ohhh
Slide my tongue down your back
Please... stay right there...ohhh
On your hands and knees
Cause what I'm about to do next
Is the reason you called me here
